experience the difference!

Requires 5G Ultra Wideband access and a capable device inside the 5G Ultra Wideband coverage area, and is available on select plans. 12x faster based on analysis by Verizon of Ookla vs U.S. 4G LTE median download speeds of all other providers, Q1-Q2 2024. 5G: 5G access requires a 5G-capable device in a 5G service area. 5G Ultra Wideband access included with Total 5G and Total 5G+ plans. For the Base 5G plan, in times of traffic, your data may be temporarily slower than other traffic. Video streams at up to 480p (Base and Total 5G) or 720p (5G+) plans. Price guarantee for 5 years: For new subscribers who have not previously activated Total Wireless or Total by Verizon service within the last 90 days. Applies only to the then-current base monthly price for your plan, exclusive of any transactional or one-time charges and any equipment charges. Price guarantee does not apply to any discounts or promotions, such as an Auto Pay discount. Price guarantee may drop if customer's service is lapsed, suspended or terminated, or if customer migrates to an ineligible plan. Taxes and fees included. Total Wireless is a registered trademark of Verizon Trademark Services LLC. © 2024 VERIZON.
