Ahron Duben joins B2B Mobile Auction

San Diego, CA – August 15, 2019, B2B Mobile Auction Hires Ahron Duben as Director of Business Development.

Ahron brings with him over 20 years in Consumer Electronics and Secondary Market experience. Ahron was a part of the founding team at ecoATM which sold to Outerwall in 2013 for \$350 million in cash. Since exiting ecoATM, Ahron has worked for some of the top asset recovery and repair companies in the US. Scott Leder and Meir Strobel CO-CEO's shared "We're extremely happy to welcome Ahron to the B2B Family and look forward to utilizing his skills to enhance our product line and customers". Ahron's extensive experience and relationships will enable B2B to rapidly expand their sales into both domestic, and international markets.
